

GRAHAM Mackenzie, who has played in Wycombe Wanderers' last six matches, misses tonight's (Tuesday) visit to Walthamstow Avenue. 'Jock' has returned to college in Cheltenham and is extremely unlikely to be able to make the trip to London.

Mackenzie came into the side when John Reardon took over as manager and has held his place ever since. Tonight Gavin Fraser will take his midfield place in a match that is of vital importance to Wanderers.

The Blues have a target of three wins from their last three games and the visit to Walthamstow is never easy. This fixture has twice been postponed due to the condition of Avenue's pitch, which is poor at the best of times.

Although Wanderers have already beaten Walthamstow 4-0 at Loakes Park, there have been many changes to the side since then and Avenue are currently enjoying a series of good results.

On Saturday they clinched the Essex Senior Cup three minutes from the end of extra time, 1-0 against Romford.

Top goalscorer this season is Dave Mooney with 23 but Dickie Sedgewick is close behind on 22.

WALTHAMSTOW (probable team): T. Moore, T. Blackman, T. Blacktin, R. Bradford, B. Jackson, A. Droy, J. Knapman, L. Raynor, R. Sedgewick, D. Mooney, A. Hunter. Sub. A. Howe.
